It's pronounced *neh-neht*.

I have an entire section dedicated to gore, guts, and true crime under *horrorshow*. I try to update the project on a weekly basis.

Like the site? You can link me back with one of these ugly buttons.

2022-11-25 Back from my hiatus, new horrorshow article is up

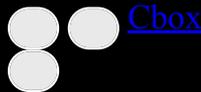

2022-09-29 added to amygdala, updated athenaeum, this week's review is the red krokodil

2022-09-23 3 new posts and a redesign on the spooky section

2022-09-19 validated pages, accesibility checks

2022-09-13 I re-worked the layout a bit (again). I know, I know. Anyway if you haven't checked the latest post than you should.
